Remarks:

Alex: [REDACTED] asked for two copies of the attached memo on Friday last. When I spoke with [REDACTED] on the matter, he informed me that neither he nor [REDACTED] had heard of the new proposal. He assumes that State will be asked its opinion before any new legislation is introduced. From his personal viewpoint, Bob feels that even the present legislation is damaging to our operations and that the best solution would be to do away with the entire business (he does point out that almost a year ago the President directed Customs to stop certain aspects of mail detention). I did ask Bob if he agreed with our position, and he stated he did.
